

Through My Dreams

1. Lakota Rose

This Song came to me as I walked through the BLACK HILLS with a friend. He showed me the wild Prairierose and told me it's called LAKOTAROSE too. It's also dedicated to a friend of mine who has a special relationship to the wild Rose.

2. Prayer Song

Tunkashila onshimala ye, le wicasha ikceya le miyelo.
wakanyan wacincozelo weyo hoh, Tunkashila onshimala ye.
Tunkashila unshiunlapoyo, Tunkashila unshiunlapo.

Grandfather have pity on me, it's me a humble man.
Sacredly I beck on you. Grandfather have pity on me.
Grandfather have pity on us, Grandfather pity us.

3. H'e Sapa

This song I played first in the BLACK HILLS. It tells about the good feelings I had there. It is a song about Pinetrees, Rocks, the wilderness, animals and birds. It's a song about love, kindness and peace, a song about the beauty and harmony of mother earth.

4. Ta Shunka Win

It's a song dedicated to two very good friends of mine. They love to ride horses, so I called this song TA SHUNKA WIN (The Horsewoman).

5. The Firekeeper

This song came to me at a campfire with my friends Stefan and Franz. That's why I had to call the song "THE FIREKEEPER. It's a song about sitting together and discussing about live.

6. Auf'm Berch (On top of the hill)

This is a song about a "VISION QUEST" about feelings and good lessons when you are alone on top of the hill. I did that song in my franconian language because it was easier for me to tell what I want to tell. That's what the spirits told me.

7. sléibhte glasa na hÉireann
(The green hills of Ire)

This is a song dedicated to the beauty of the green irisch hills, the mountains and the blue sea. It is a song about my Celtic - roots and the lovely sound of the irish whistle.
